Multi-Tiered Sponsorship Recognition

We invite corporate donors to help bring this beautiful community Christmas tree to life as a signature feature of the Sauk Rapids Downtown Jingle & Mingle celebration. Your support will help fund the purchase, installation, and presentation of the tree while giving your business valuable visibility through multi-tiered sponsor recognition displayed on the base signs, along with additional promotional perks that are currently being planned. This is a wonderful opportunity to show your community spirit, align your business with a meaningful holiday tradition, and help create a festive experience for families and visitors to enjoy. To learn more or express your interest in becoming a sponsor, please email the Jingle & Mingle Committee at ***SaukRapidsJingleMingle@gmail.com.***
